How does this group help you to listen?

Which questions do you find really help you to listen?

Will you listen attentively to each other and not just wait to have your turn to speak?

Will you ask Jesus to show you what each story means and listen for His answer?

You are unlikely to hear a voice! But if you listen you will get ideas come into your head, or someone else may say something that helps. Just trust Jesus to speak in a way that you can hear. It comes with practice.
