

## **Summary of Discipleship Landmarks**

This set of Gospel stories are chosen to help a person progress from curiosity about Jesus to become a fruitful, confident and obedient disciple of Jesus.

After teaching each story ask: **What good news is in this story?**

After teaching all the stories for one section, the disciples should go through the stories in their GG, using the GG questions.

## **Using this Training**

Personal Obedience

No Experts

Growth Groups for Discipleship

Do NOT train people to be disobedient!

Tell me the same story

An Example Training session

Progressing through the Training
