

Summary of Discipleship Landmarks

This set of Gospel stories are chosen to help a person progress from curiosity about Jesus to become a fruitful, confident and obedient disciple of Jesus.

After teaching each story ask: **What good news is in this story?**

After teaching all the stories for one section, the disciples should go through the stories in their GG, using the GG questions.

Using this Training

Personal Obedience

No Experts

Growth Groups for Discipleship

Do NOT train people to be disobedient!
